Reference: 2013 Year End Report Best Efforts

Dear Senate:

We are in receipt of your letter dated May 12, 2014. In reference to the best efforts to obtain information on contributors with an aggregate of \$200 and more, we make all first requests at the time of initial solicitation. This includes requesting full names and address along with employer and occupation of all contributions regardless of amount.

I have attached a sample letter sent to all contributors within 10 days of receiving contributions in which additional information is required. In the letter we state that due to Federal Law we are requesting their full name, address and current employer and occupation for aggregate contributions of \$200 or more in an election cycle.

We also send a follow up within 30 days in no information has been received.

We have not received any additional information to prompt us to amend our filing at this time.

Sincerely,

Donnie Miller
Treasurer
